ACT1 FEDERAL, LLC

ABOUT US.

ACT1, a certified small business, is an industry leader in Lifecycle Program Management Solutions, delivering mission-critical results across the globe. Established in 1998, ACT1 specializes in providing the US Department of Defense, civilian federal agencies and allied partners with high-value Program Management, Defense Partnership Technical Services, Engineering, Training, Integrated Logistics & Supply Chain Management, Business Operations, Security & Cyber, Cost/Financial Management, and Acquisition Strategy.

The ASTRO Training Pool provides full spectrum instructional services required for successful execution of a product, program, project, or process across platforms for land, air, sea, and space. Examples of services include: Flight Training; ISR Training; UxS Training; Data Analytics Training; Virtual Reality Training; Sensor Training; and Training Content and/or Curriculum Development for CONUS/OCNUS clients. ACT1's Training Support Services experience includes:

- Support to the Air Force's 621st Contingency Response Wing to develop Mobility Support Advisory Squadron developing country training plans in support of air mobility operations.
- CONUS and OCONUS full spectrum Intelligence, Surveillance and Reconnaissance (ISR) training to international partner nations (Chad & Cameroon) for the C-208 platform.
- ACT1 holds multiple contracts with HQ Air Combat Command Air Operations (AOC) where we provide qualification training for all geographic and global AOCs; and provide intermediate and advanced Command and Control training for the USAF 505th Training Squadron and Air Force Component Headquarters staffs and Joint and Coalition partners, respectively.
